

Rock The Era (Brand New Day)

Pop Ballad
90

The time is now to fulfill your vow; Break-ing new ground through the power of sound.

Get on your feet, it's a mighty strong beat... com'in your way, start'in to-

day! Rock the e-ra, rock ev-ery youth!

Rock the e-ra, re-veal the truth! Grab a hand we'll make our stand;

It's a brand new day, it's a brand new

day! To- geth- er fly to a shared war cry,

"Jus- tice and Peace will ne- ver cease!" O- pen our hearts, open up our lives...

right where we are from the sea to the stars!

Rock the e- ra, rock e- very youth! Rock the e- ra, re- veal the truth!
